

## *The 2009 Gleannloch Gators Needs Your Support!*

The Gleannloch Gators Swim Team, representing the Gleannloch Farms Subdivision, is coming to you for help. Gleannloch Farms is currently home to over 2000 homes and will eventually be home to over 2,400 families, located on Spring Cypress just east of Highway 249.

Looking ahead to our ninth season as a Northwest Aquatic League (NWAL) team we are in need of your financial support. Through the support of generous sponsors during the past seven years we were able to build a team of more than 250 swimmers. Given the continued growth of Gleannloch Farms, we expect to have an even larger team this year. Support through contributions from our sponsors will be critical this year as we continue to grow and build on our success.

Would you please take under consideration a sponsorship donation to this very visible and worthy community effort? This is a great way to advertise your business, not only to the residents of Gleannloch Farms, but also the hundreds of families that visit our neighborhood from competing teams, as well as the neighborhoods that the Gleannloch Gators visit while at away meets. Below please find the contributions and Sponsorship levels that are available.
